

Auslay Hybrid Flooring

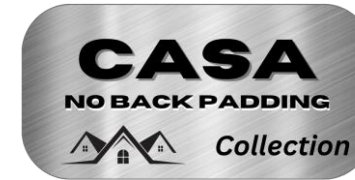

4.0mm Casa “N” Collection

1220mm x 178mm x 4.0mm - 4.0mm core + 0.3mm wear layer + 3.0mm acoustic underlay supplied separately (free)

CASA "N" COLLECTION

SPC HYBRID PLANK FLOORING 4.0mm

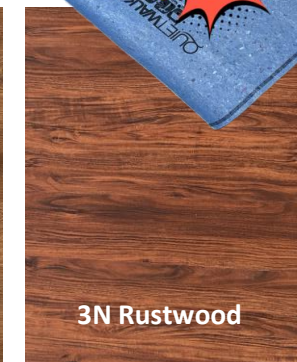

SPC stone plastic composite construction makes the Hybrid board waterproof in its core and on its surface layer. Casa NBP Hybrid is extremely durable and versatile. With no back padding fitted, it can be float laid over underlayments or direct glued to vertical surfaces, making it ideal for all residential and commercial walls. New builds, renovations, shops, - anywhere really that requires a durable hard working wall and floor solution.

SPC Hybrid Plank Casa NBP Flooring (float install over the supplied underlay)

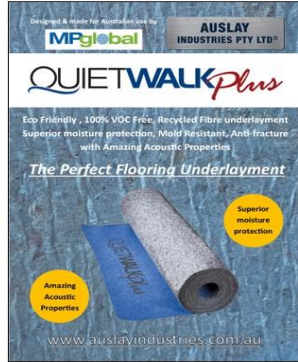

- Plank size : 1220mm x 178mm x 4.0mm

Choose your underlayment

Quietwalk Plus - for substrates that are subject to moisture such as concrete with rising damp or suspended floors subject to ground moisture. Very good acoustic reduction and crack isolation.

Insulayment - for substrates that are not subject to moisture such as concrete with no rising damp or 2nd level floors or tongue and groove timber. Very good acoustic reduction and crack isolation.

INSULAYMENT

QUIETWALK PLUS
